EDUCATION

- **Techno India University , West Bengal** [\[Student ID Card\]](#) Kolkata, India
Bachelor of Science in Information Technology; CGPA: (8.11/10) Aug. 2019 – Aug. 2022
- **Rani Rashmoni Green University** Hooghly, W.B, India
Master of Science in Computer Science September. 2022 – NOW (Studying)

PROJECTS

Project Censio

- **Censio** is an Android application and I will be making it using Flutter and dart, while keeping the data base on firestore.
- **Impact:** Customers, by using this system, can buy product in their local areas and it's also help retailers for their betterment.

Banking Management System

- The project has to be implemented using **Java Swings** for designing the front-end and **MySQL** database as the backend.
- **Impact:** Customers, by using this system, can perform all their transactions without even going to the bank.
- **My contribution:** Developed the Front-end and handled the Database.

Hospital Management System

- Using CSS, HTML, PHP. Software Use VS CODE and Database using ORACLE.
